Blockchain, innovation and security

METAVR is built on **Binance Smart Chain technology**. This makes it a model that could be described in three words:

NEW DIGITAL EXPERIENCE.

In addition, it is supported by **PancakeSwap**, one of the most widely used DeFi protocols by millions of people around the world.

METAVR connects with some
of the best Wallets in the world:

METAMASK

TOKEN POCKET

Trust Wallet

WalletConnect

BINANCE

**METAVR is a comprehensive platform.
Through it you can familiarize yourself with
the NFT's technology, and the Marketplace.**

Independent developments
that you can enjoy to the fullest.

LIVE AN IMMERSIVE EXPERIENCE AND SHOW YOUR CREATIVITY

Get our NRT token and learn about the possibilities of NFT's. Bet on a digital asset that is getting better and better valued and has a continuous growth projection.

- METAVER lets you get to know the Marketplace, a space where buying and selling your NFT's happens in one click.
- Here you can design, buy or sell and earn while you do it.

Can you imagine selling **your own NFT?**

Just follow the instructions and buy or sell NFT's today:

1

**Set up
your Wallet**

2

**Start
your collection**

3

**Integrate
your NFT's**

4

**Buy, sell
or auction**

You decide!

But if competition is for you,
Meet:

The online game that uses NFT's to give you characters to win
while having fun.

In Gladiators, you acquire a higher score and unlock different game options by measuring your
strength, defense, speed or other characteristics of your character against another player.

Play in 4 easy steps!

Step

1

Register

Create a profile and link your Wallet to the gaming platform.

Step

2

Select
your NFT

Purchase the NFT of your favorite character.

Step

3

Level up

Upgrade your character's equipment.
You have several options to choose from: helmet, sword, armor and much more.

Step

4

Compete and win!

Once you have finished configuring your Gladiator, go to the "Finances" section and if everything is in order, compete!

In Gladiators you can have more than one character and use them in different modes.

ACTIVE MODE

This is to compete with another player to test the characteristics of each of your characters.

WITNESS MODE

You bet on a competition, from the audience. This way you don't participate directly, but you still have a chance to win.

STAKING MODE

Keep your character safe, and let its value increase over time.

A Gladiator conquers glory one victory at a time.

Gaming has surpassed all expectations, and has adapted to a reality that demands new ways of enjoying leisure time by receiving tokens in its game dynamics and rewards.
